

Father God we thank You for this day and for this occasion in which we honor and recognize many young men and women who gave their lives for this country and for the cause of freedom.

Father we thank You for all those who played a part in the construction of this great hall of heroes and we pray that many people's hearts will be moved as they read the names inscribed on this wall and look upon these pictures.

Father, we will cherish this memorial as we reflect upon the men and women who gave their lives but we must also remember that war is hell and reflects a great evil that resides in the hearts of all mankind.

Father may you have mercy upon us and we pray that You will abundantly pour out Your grace upon us and bring peace to us and to this world.

This we pray in Your most holy name. AMEN.
