Guest Speaker

**MGySgt Luther Morris, Jr.**

Visual Information Chief

MCB Quantico CVIC

Quantico, VA

Presentation of Diplomas and Awards

**Video Production Documentation Course**

Students become visual story tellers by operating video cameras and editing systems, as well as audio and lighting equipment. They learn the principles of framing and composition, camera placement, audio-visual editing, script-writing and visualization. Students receive a basic working knowledge of applications for television, electronic news gathering, electronic field production, and combat documentation. This course prepares them for their future mission, supporting operational commanders in areas of operations and public affairs.
